

Steps

1. Using the patterns in the 5 small boxes at the bottom of the page fill in the different parts of the pictures. Every time you run into a black line you need to change your pattern. Don't forget to leave some areas a solid color to break up the patterns. It's okay to repeat patterns and to make up your own!

2. Color all the shapes and patterns.

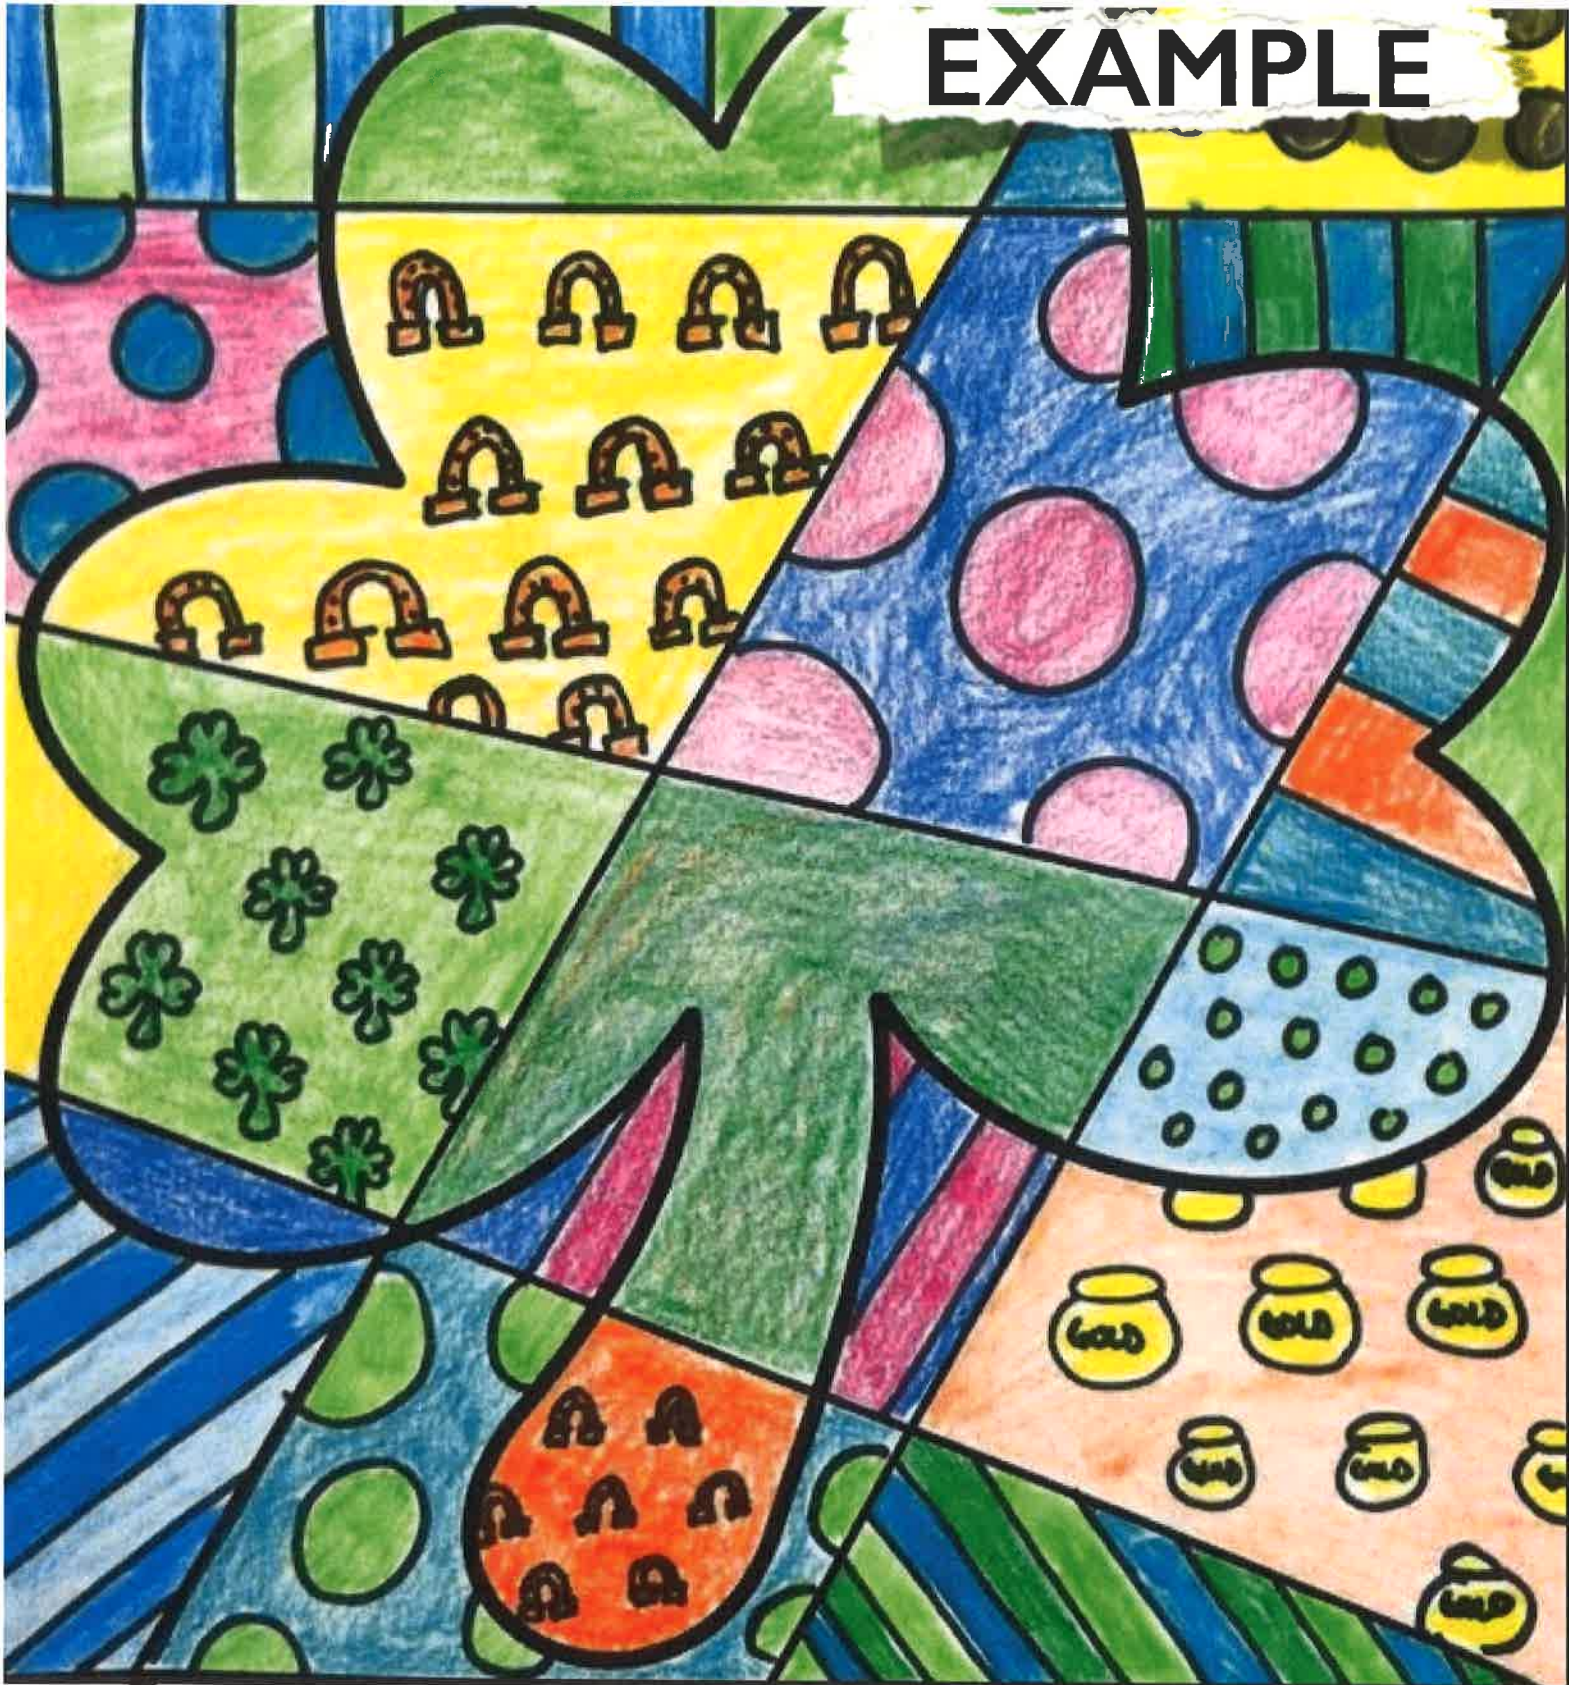

3. Cut out the large box at the top with the finished work.

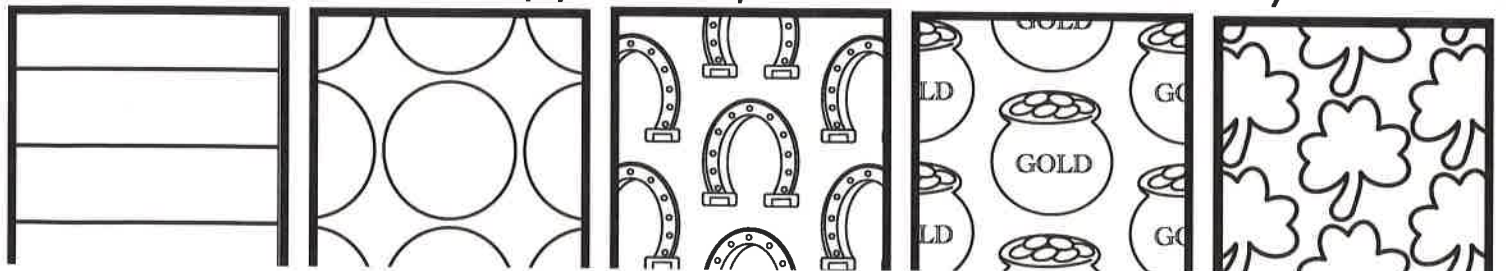

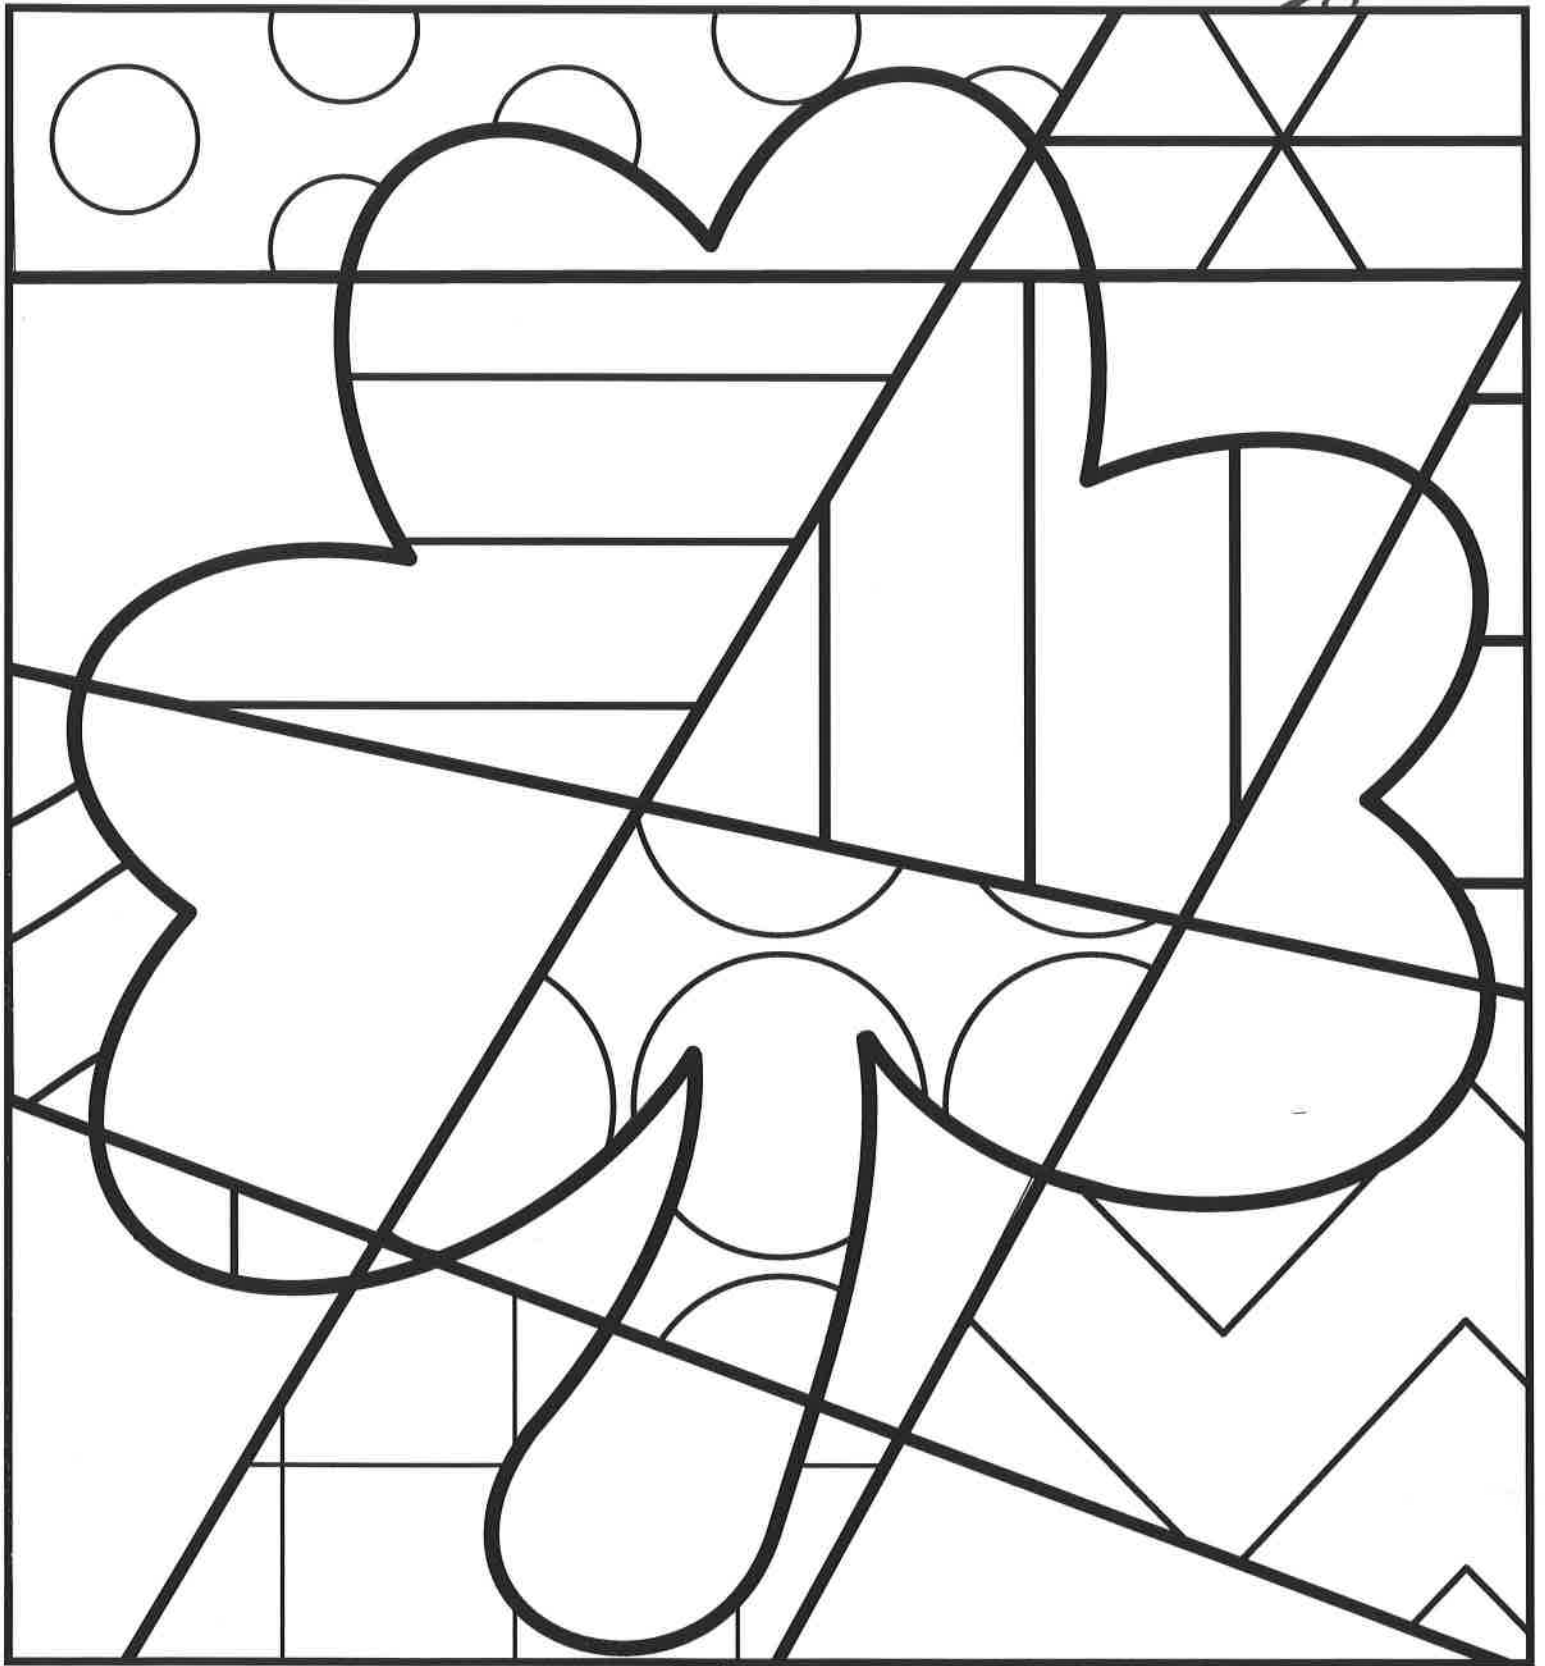

4. Voila!
